TRANSCOM

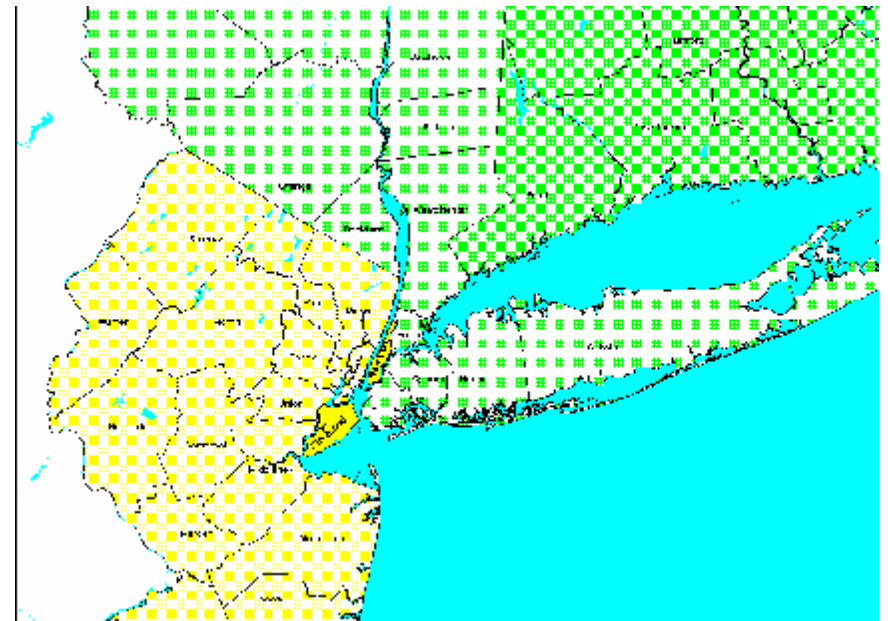

Organizational Development

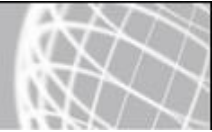

- § Developed as Administrative Unit of the Port Authority of NY & NJ
- § 1999: Became Non-Profit Organization
(Direction by Member Government Agencies Continues)

TRANSCOM MEMBERS

Connecticut DOT
Metropolitan Transportation Authority
MTA Bridges & Tunnels
MTA New York City Transit
New Jersey DOT
New Jersey State Police
New Jersey Transit
New Jersey Turnpike Authority
New York City DOT
New York City Police
New York State Bridge Authority
New York State DOT
New York State Police
New York State Thruway Authority
Port Authority of NY&NJ
Port Authority Trans Hudson (PATH)
Over 100 Affiliated Agencies

TRANSCOM FUNCTIONS

- § Regional Incident Management
- § Regional Construction Coordination
- § Multi-Agency Technology Development
 - Regional Architecture – Inter-Agency Information Sharing, 40+ operations centers
 - TRANSMIT – Travel Times, Speed
 - Video Sharing – 400+ cameras
 - Traveler Information – **511**

This map shows the New York City metropolitan area, including the Hudson River and the surrounding highways. A red circle highlights the area around the New York City skyline, and a red arrow points to a detailed inset map of the same area. The inset map shows the Hudson River, the New York City skyline, and the surrounding highways, including the New York Thruway, the New York State Thruway, and the New York State Thruway Extension.
